Disclaimer: Spelling of Names:

The names are spelled to the best of our ability considering we are using hand written rosters from the coach and scorekeepers who have tried to decipher them

Highlights: (When is a double not a double?)

A parent may think their son or daughter hit a double and should be in the highlights... When in fact it could have been recorded as a single with a fielder's choice and a stolen base to 2nd on an over throw... A common error by All-Star Managers is not announcing substitutions and a different player gets credit for the hit, instead of the player who was in the game.

All-Star Managers: *We take the highlights from the **official score sheets**. If a parent thinks their player has been wronged on being in the highlights, only the **All-Star Manager** can ask to check the "**Official Score sheet**" that is kept with the tournament staff. If the official score sheet reflects the error the manager can bring it to the attention of the Tournament Staff. (**Do NOT bring the Coaches scorebook it will not be used to settle discrepancies**). Do not ask to change the official score sheet after you have signed your pitching affidavit it will not be allowed. **Do not have parents contact us – we will send them back to you.***

Highlights are a courtesy of District 9 – No other District in the state provides Games Highlights for their All-Star tournaments – District 9 retains the right to discontinue highlights at any time.
