## District 9 Policy #2 – District Meetings

The District shall conduct a District Meeting at least once a month, except July, August and September due to tournaments and vacations. In the event of emergencies, a monthly meeting may be cancelled or re-scheduled at the discretion of the District Administrator. The monthly meetings shall generally be the second Thursday of each month, but may be the first or third Thursday if required by events.

The District Administrator at the First District meeting of the current year (the October meeting) shall propose a District Calendar. One item on this calendar will be all the District meetings with date, time and location clearly shown. It shall be reviewed, discussed and approved by the League Presidents. It will then be followed for the current year.

This calendar shall include a short “agenda” for each monthly meeting. This “agenda” shall outline the subjects that will be covered/taught that month. Other subjects may be added to the “agenda” for that month as they arise and be covered at that meeting. The Leagues may request that items be added to the “agenda” if they are of a general interest to all Leagues.

The monthly District Meetings shall be open to anyone interested in furthering District 9 Little League. All District 9 Leagues Board of Director members are welcome to attend. Each League should make a very strong effort to have a representative at each meeting to discuss, vote and return information to their Leagues on discussions and decisions.
