New Business:

- The DA reminded the presidents that waivers must be submitted before the 1st game, and not later than April 1.
- There will be a Memorial Day tournament this year, from Saturday, May25, through, Monday, May 27. The entry fee will be \$250 per team. It will include major baseball only, and will accept teams on a first come, first served basis, with a 16 or 20 team limit. The registration form can be found on the District 9 website.
- Jim Portugal, ADA Information Officer/Webmaster, demonstrated the new and improved District 9 Website. Many new features have been added. Please take some time to visit and see the new additions.
- Drawings were held for some of the District 9 baseball tournament brackets. They will be available on the District website.

Old Business:

- All leagues now have approved ASAP plans in place. Congratulations to all for helping our district get to 100% participation.
- Thank you to leagues that have already responded to the Mariner Day promotion. Please contact Tonya Henry for ticket orders.

-John Chadwick emphasized that leagues participating in the 50/70, Jr, & Sr baseball programs will not be able to start their season if everyone doesn't get their field availability in to Tonya ASAP.

-John Chadwick encouraged leagues to consider making a donation to the Junior Softball World Series, if they have not already done so. Donations are very much appreciated.

Softball:

Janice Christensen reported that the mid-season softball tournament is planned for the weekend of May 17. Sign-up information will be up on the website next week. Because we have only 5 fields, we will have to reduce the number of teams accepted. The tournament will be for Coast and Major level teams.

The meeting ended at 8:20pm
